PURPOSE:

- To provide the Commissioner with information regarding concurrent Support Freedom Convoys in area in Manitoba

ISSUE:

- Freedom Convoy Support demonstrations are continuing in many jurisdiction in Manitoba

Update for February 9th, 2022

BACKGROUND:

- The Support Freedom Convoy was created as a means for truckers and others to demonstrate against cross-border Covid vaccine mandates and in support of the Freedom Convoy in Ottawa.

CURRENT STATUS/EMERGING EVENT:

- As reported yesterday, last night protesters began to arrive at the Emerson, MB POE. At 2300hrs there were approximately 75-100 vehicles involved in a "slow roll" demonstration. Protesters have set up an Atco Trailer near the POE.
- At 0630, Criminal Operations was advised by CBSA that protesters have fully blocked access to the POE. north and southbound lanes of Hwy 75 are fully blocked by farm equipment. There are 30-40 other vehicle (pickups, semi tractors, trailers etc.)
- Division Liaison Team members are being engaged to deploy this date.
- Detachment Commander (Morris Det.) is at POE to survey the situation and attempt to identify organizers of this event.
- D Division Traffic Services is deploying resources to the area.
- D Division RPAS will be deploying to provide aerial video/monitoring.
- Efforts underway to identify and meet with blockade organizers to determine intent and scope of blockade. Limited information has been gathered on the potential to block other POE on the Manitoba Boarder. In addition to Emerson, POE at Boissevain is a 24 hour POE. Other POEs that are open for limited hours are Tolstoi, Sprague and Gretna.
- Should additional POEs be blocked by protesters D Div DEOC will be stood up
- 1000hrs Detachment Commander at Morris confirmed that a shipment of livestock (pigs/piglets) was able to cross the border southbound. This was facilitated through communication by the RCMP and protesters.
- A command triangle will be established to coordinate reporting and communication.
- Further updates to follow this date.

STRATEGIC CONSIDERATIONS:

- Situations are on-going and will be continuously monitored.
- Resource assessment is underway for planning as a protracted event (Detachment, Traffic, TSG, IBET)
- Districts and D Division Criminal Operations are reviewing/revising current operational plans for potential implementation should the situation escalate.
